

Areas/Start Venues

Exact venues/locations will be released 1 month before each event – full details will be on the D&W [website](#) look out for yellow/black directional road signs at all events. NB: SOME OF THE CAR PARKS MAY BE PAY & DISPLAY.

Maps

A bagged, colour 1:50000 OS map (approx size A4), pre-marked with all controls, will be provided on the start line. One map per entrant is included in the entry fee. Enlarged maps for greater clarity available approx size A3 (£3.00 each). An area Master Map can be viewed pre-start.

The Challenge

Within the time allowed (3 hours), visit controls and collect as many points as possible - route planning is as important as fitness. Lateness penalties as per standard BMBO rules. Control sites will be identified by bright coloured tape on an obvious feature to which a SPORTident box will be attached. "Dib" in the SPORTident box at the Start, Finish, all controls visited and THE DOWNLOAD BOX at the end! You must use a SPORTident dibber to take part in these events; you may use your own dibber if you have one (please fill in its number on the entry form). If you don't have a dibber we will rent you one automatically. Teams please note: both members must carry and use a dibber.

The Start/Finish

Start anytime between 8.30 & 9.30am. Try to arrive at least 30 minutes before your intended start to give time to register/prepare. At the start line you will be handed a map and a control description sheet. All courses close 13.30hrs. Hot drinks, orange juice and biscuits will be available at the finish.

Entry & Results

NO FINAL DETAILS WILL BE SENT OUT. If you wish to have confirmation of entry please email us or enclose an sae with your postal entry. Event numbers will be limited so if entering late check the website for availability or text 07970 278085/email info@darkandwhite.co.uk Provisional results will be displayed on the day; full results will be on the Dark & White website after each event.

Prizes/Class Awards

NB - classes may be merged if entries are low. Once the league is finished class winners and runners up will win trophies based on a minimum of three events being completed as either a solo or as a pair/team but not as a combination of both. Again classes may be merged if entries are low.

Rapid Registration

If you have your own SI card and have pre-entered, just turn up, check the dibber number is correct and sign in. No need to stand about.

1. The competitor(s) visiting the greatest number of high scoring controls (the greatest and second greatest value controls)
2. The competitor(s) who has/have visited the most checkpoints (and back within the time limit)
3. Earliest starter(s)

If two competitors have the same score at the end of the league the winner will be the one who performs best at the last event.
