

Areas/Start Venues

Exact venues/locations will be released 1 month before each event – full details will be on the [D&W website](#) Look out for yellow/black directional road signs at all events. If in doubt as to the location, please contact us BEFORE the day of the event. NB: SOME OF THE CAR PARKS MAY BE PAY & DISPLAY. IT'S ALSO WORTH NOTING THAT THE MAJORITY OF PUBLIC TOILETS CLOSE LATE AFTERNOON/EARLY EVENING SO WE CANNOT GUARANTEE THESE WILL BE AVAILABLE AT EACH EVENT..

Maps

A colour 1:50000 OS map (approx size A4), pre-marked with all controls printed on waterproof paper will be provided on the start line. One map per rider is included in the entry fee. Enlarged maps for greater clarity available approx size A3 (£3.00 each). An area master map (without control points marked) can be viewed at registration before starting.

The Challenge

Within the time allowed (2 hours), visit controls in any order and collect as many points as possible - route planning is as important as fitness. Lateness penalties as per standard BMBO rules. Control sites will be identified by bright coloured tape on an obvious feature to which a SPORTident box will be attached. "Dib" in the SPORTident box at the start, finish, all controls visited and the download box at the end. You must use a SPORTident dibber to take part in these events - you may use your own dibber if you have one (please fill in its number on the entry form). If you don't have a dibber we will rent you one automatically. Teams please note: both members must carry and use a dibber.

The Start/Finish

Start times are between 5.30 & 7.00pm. Courses close 9.30pm. Try to arrive at least 30 minutes before your intended start so as to give time to register/prepare. At the start line you will be handed a map with a control description sheet. Juice and biscuits will be available at the finish.

Entry & Results

NO FINAL DETAILS WILL BE SENT OUT. If you wish to have confirmation of entry please email us or enclose an sae with your postal entry. Event numbers will be limited so if entering late check the website for availability or text 07970 278085/email info@darkandwhite.co.uk Provisional results will be displayed on the day; full results will be on the Dark & White website after each event.

Equipment

A roadworthy mountain bike, helmet (ANSI or BSI only – not climbing, caving or canoeing types), watch, relevant map, first aid kit, money for phone calls or a mobile phone, suitable clothing for the prevailing weather conditions including quality waterproofs are compulsory for these events. Spot checks may be carried out to ensure you comply with these requirements. You should also bring food/drink sufficient for the duration of the event.

Prizes/Class Awards

Overall league class winners and runners up will win mtb related prizes courtesy of Dark & White Events. NB: Classes may be merged if the level of entries dictates. Prizes will be posted or handed out after the last event once the results are declared final. Class placings and prizes will be awarded based on three events being completed as a solo or as a team but not as a combination of both.

****Tie breaks: In the event of two competitors in the same class gaining the same score the following tie break rules will decide the winner:

1. The competitor(s) visiting the greatest number of high scoring controls (the greatest and second greatest value controls)
2. The competitor(s) who has/have visited the most checkpoints (and back within the time limit)
3. Earliest starter(s)

If two competitors have the same score at the end of the league the winner will be the one who performs best at the last event.

Rapid Registration

If you have your own SI card and have pre-entered, just turn up, check the dibber number is correct and sign in. No need to stand about.
